**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Sonic is my phone and internet provider for two reasons: 1) Their pricing is competitive and 2) They have the best customer service of any other provider I have experienced. I am a retiree and have a limited budget. Sonic's pricing allows me to continue having internet service at home. Most internet customers rely on the internet for many basic services like banking, booking travel, shopping for affordable prescriptions, etc. A price increase might make that very difficult. Please understand there are a lot of people who are in my situation and need affordable internet access.

Thank you,

Tim Youngblood
